

# NATIONAL TROPICAL BOTANICAL GARDEN

Chartered by Congress to Create a National Resource in Conservation, Research, and Education

**Position Title:**

On Call Restoration Assistant

**Department:**

Conservation

**Tasks:**

Working with Conservation Department staff on forest and cliff restoration sites in the beautiful Lāwa 'i Valley, you will be involved in watering, planting, weeding and propagation while learning about native plant community restoration in theory and practice.

**Skills Required:**

This role requires working out in the sun and a good level of physical fitness. Some knowledge about Hawaii's native plants would be advantageous, but passion and enthusiasm to learn more about Hawaiian culture is most important.

**Time Commitment:**

On call

**Training:**

Forest Restoration volunteer will receive NTBG orientation and on the job training.

**Location:**

Kaua'i's south shore in the town of Kalāheo.

**Benefits:**

Behind the scenes access to McBryde Garden and Allerton Garden, invitations to special events, monthly newsletter, opportunities to gain new skills and meet conservation minded people.
